

RYA NATIONAL POWERBOAT CERTIFICATE – ADVANCED COURSE

NAME OF COURSE:	RYA National Powerboat Certificate – Advanced level
COURSE DESCRIPTION	This is a demanding course which includes pilotage, navigation, seamanship and advanced boat handling techniques for operating planing boats on coastal waters by day and at night. This course is definitely not one for the novice
COURSE CONTENT	As for the Intermediate course but with more emphasis on pilotage and navigation. It covers the planning and execution of a coastal passage in daylight , with a repetition during the hours of darkness. The advanced courses are timed to coincide with the depth extremes and stronger currents associated with Spring tides. Due to the requirement for night exercises, the advanced courses will normally be scheduled outside of British Summertime (BST). A time delayed M.O.B. simulation will involve the use of GPS “Track-Back”, good team-work and the practical application of search patterns in more demanding conditions
GROUP / INDIVIDUAL	All candidates will be booked on Group courses as tidal conditions are critical and a limited number of places will be available
OUR BOAT / YOUR BOAT	Our boat only
PREVIOUS EXPERIENCE	You should be competent to the standard of The National Powerboat Certificate – Intermediate level above with knowledge of navigation and chartwork to the level of “Day Skipper”. shorebased certificate. Candidates must also have a current First Aid Certificate and a VHF Short Range Certificate
MINIMUM AGE	17
DURATION	2 full days
